ECONOMIC GEOGRAPHY

INDEX TO VOLUME XXIV

PAGE

Agricultural Landscape of Southwestern China: A Study in Land Utilization, Mei-Ngo Jen....157–169
Surface Features....157
Climate....158
Land Use....159–169
Agricultural Policy, Prairie Provinces of Canada....213
Agricultural Practices in Dorsetshire, England....56–57
Agricultural Production of Scottsbluff County, Nebraska....174
Agricultural Systems in North of England, 1840–1880....296–298
Agriculture, Boundary County Idaho....204–208
Agriculture of Shantung Province, China....184
Agriculture of Tucson, Arizona....101
Aire and Calder Canal....30
Aliens, Employment of, by Great Britain's Industries 123
Aluminum Resources of the United States, James E. Collier....74–77
Additions by Exploration....74
Possible Non-bauxitic Ores....75
American Leanders, Where Produced and Used, Stephen Sargent Visher....126–134
Birthplaces....127
Production by Type of Area....130
Yield of City, Town and Country....132
Educational Production....133
Place of Employment of Scientists....134
American Society of Planning Officials, Planning 1947 (review)....231
Amsterdam-Rhine Canal....6
Antwerp-Rhine Direct Canals Project....9
Antwerp-Rhine Traffic Port....8
Appalachian Valleys Wheat Production....170
Arizona, Tucson, City of Sunshine....79–113
Austria, Her Raw Materials and Industrial Potentialities, George W. Hoffman....45–52
Raw Materials....46
Industrial Production....48
Economic Development....51
Physical Characteristics....45, 46

Basel, Switzerland, Cargo Movement (charts)....17
Beard, Charles Noble, Land Forms and Land Use East of Monterey Bay....286–295
Bauxite Explorations of the United States....74
Birchard, Ralph E., Europe's Critical Food Situation....274–282
Birthplaces of Starred Scientists....127
Boesch, H. H., Die Wirtschaftelandschaften der Erde (review)....231
Boundary County, Idaho, Land Use Levels in, Howard J. Critchfield....201–208
Bradford, England, Marketing Center for Woolen Industry....29, 31
Brazil, Volta Redonda: Symbol of Maturity in Industrial Progress of, Robert G. Long....149–154
Bremen, Waterway Traffic....13, 14
Britain, The Land of, Its Use and Misuse, L. Dudley Stamp (review)....232
Broken Cotton Belt (editorial)....opp. p. 235
Broken Cotton Belt, Franklin C. Erickson....263–268
Location of Cotton Belt....263, 264
Cotton Adjustment Program....265, 266
Cotton Production Costs....267, 268
Brown, Ralph H., Historical Geography of the United States (review)....155
Buchanan, Keith, Modern Farming in the Vale of Evesham....235–250

Calder River....29
California, Ygnacio Valley, Changing Land Use in, Douglas Goodan and Theodore C. Shatto....135–148
Caripito, Venezuela....118
Cattle Production in North of England....296–310
Central Pennines, England....28
Changing Land Use in Ygnacio Valley, California, Douglas Goodan and Theodore C. Shatto....135–148
Physical Environment....135
Overview of California History to 1850....138
Livestock Period....139
Grain Period....141
Fruit Period....142

PAGE

Nuts Period....143
Suburbanization....146
Cheese Production, Italian, in the American Dairy Region, Loyal Durand, Jr....217–230
China, Agricultural Landscape of Southwestern, A Study in Land Utilization, Mei-Ngo Jen....157–169
Ch'ing-Tao Observatory....192
Ch'ing-Tao Bay....194
Ch'ing-Tao: Development and Land Utilization, Norton S. Ginsburg....181–200
Position and Historical Setting....181
Economic Activities....182
The Hinterland....183
Transportation....184
The Port....185
Political Significance....187
Historical Development....188
Site and Land Utilization....193–200
Climate, Grant County, Washington....20
Scottsbluff County, Nebraska....175
Southwestern China....158
Tucson, Arizona....86, 87
Vale of Evesham....238
Volta Redonda....151
Ygnacio Valley, California....136
Climatic Effects Upon Production of Scientists....130
Coalfield, York, Derby and Nottinghamshire....29
Coal Mining in Brazil....153
Great Britain....121
Collier, James E., Aluminum Resources of the United States....74–77
Contra Costa County Project Canal, California....144
Corfield, George S., Recent Activities in Venezuela's Petroleum Industry....114–118
Cornwall, England, Farming Practices....70
Cotton, The Broken, Belt, Franklin C. Erickson....263–268
Cotton Textile Production....121
Critchfield, Howard J., Land Use Levels in Boundary County, Idaho....201–208
Crop Production, Southwestern China....159–169
Crop Rotations, Prairie Provinces of Canada, with tables....214, 215
Czechoslovakia's Territorial and Population Changes, John Shute....35–44
Loss of Ruthenia....35
The Land and Its People....36
Industry in Ruthenia....37
Mineral Resources....38
Population Changes....39–44

Dairy and Livestock Products, Monterey Bay Region 291
Dairy Region, American, Italian Cheese Production in, Loyal Durand, Jr....217–230
Desert Cities (editorial)....opp. p. 79
Devon, England, Farming Practices....67
Die Wirtschaftslandschaften der Erde, H. H. Boesch (review)....231
Distribution of Manpower in Great Britain....120
Dorset, England, Dairy Production....53
Dortmund-Ems Canal—German Waterway....11
Drainage Districts of Kootenai Valley (map)....205
Durham, England, Agriculture....299, 300

Economic Development in Austria....51
Economic Development in Tucson, Arizona....104
Economic Effects on Food Production, Europe....278–280
Economic Life of Tucson, Arizona....96
Editorials
Broken Cotton Belt....opp. p. 235
Desert Cities....opp. p. 79
Ellsworth Huntington....opp. p. 1
Forty Centuries....opp. p. 157
Educational Factors of Tucson, Arizona....102
Educational Production of Starred Scientists....133
Egypt: An Economic and Social Analysis, Charles Issawi (review)....231
Ekblaw, W. Elmer (reviews)
American Society of Planning Officials, Planning 1947....231
Die Wirtschaftslandschaften der Erde, by H. H. Boesch....231
Egypt: An Economic and Social Analysis, Charles Issawi....231

PAGE

Historical Geography of the United States, Ralph H. Brown ... 155
Human Geography: An Ecological Study of Human Society, George T. Renner and C. Langdon White ... 233
Land of Britain, The, Its Use and Misuse, L. Dudley Stamp ... 232
Scientists Starred, 1903–1943, by Stephen Sargent Visher ... 155
Elkhorn Slough ... 292
Elliott, Francis E., Locational Factors Affecting Industrial Plants ... 283–285
Emden, Germany, Barge Traffic ... 11–12
Employment Areas of Starred Scientists ... 134
Ems-Weser Canal Traffic ... 14
England, in the North of, "High Farming," 1840–1880, G. E. Fussell ... 296–310
England, in Southwestern, "High Farming," 1840–1880, G. E. Fussell ... 53–73
Erickson, Franklin C., The Broken Cotton Belt ... 263–268
Europe's Critical Food Situation, Ralph E. Birchard ... 274–282
Prewar Status ... 274
Effects of War on Food Problem ... 276
Population's Effect on Food Situation ... 281
Weather ... 281
"Evesham Custom," System of Land Tenure ... 241
Exploration for Bauxite in United States ... 74
Evesham, Vale of, Modern Farming in the, Keith Buchanan ... 235–250

Farming, Dryland and Irrigated in Grant County, Washington ... 21–24
Farming, Modern, in the Vale of Evesham ... 235–250
Food Situation, Europe's, Critical, by Ralph E. Birchard ... 274–282
Forests of Boundary County, Idaho ... 202
Forest Fires in Maine, Historic, by Charles B. Fobes ... 269–273
Forest Protection Program ... 272
Forty Centuries (editorial) ... opp. p. 157
Frozen Food Industry Effects Upon Land Use, Monterey Bay Region ... 294, 295
Fruit and Berry Production, Monterey Bay Region ... 289, 290
Fruit Production in Ygnacio Valley, California ... 142
Fruit Growing in Vale of Evesham ... 243, 244
Fussell, G. E.
"High Farming" in the North of England, 1840–1880 ... 296–310
"High Farming" in Southwestern England, 1840–1880 ... 53–73

Geography of Grant County, Washington, Elbert E. Miller ... 19–27
Climate ... 20
Farming, Dryland ... 21
Farming, Irrigated ... 23
Stock Raising ... 25
Markets and Transportation ... 26
Geographic Regions of Starred Scientists ... 128
German Expulsion from Czechoslovakia ... 42
Ghent, Rhine Traffic Port ... 10
Ginsburg, Norton S., Ch'ing-tao: Development and Land Utilization ... 181–200
Goodan, Douglas and Theodore C. Shatto, Changing Land Use in Ygnacio Valley, California ... 135–148
Grain Production Period in Ygnacio Valley, California ... 141
Grant County, Washington, Geography of ... 19–27
Great Britain, Production and Manpower in, Harold E. Hall ... 119–125

Halifax, England, Carpet Manufacturing ... 32
Hall, Harold E., Production and Manpower in Great Britain ... 119–125
Hamburg, Effect of Hansa Canal Project on Trade with ... 14
Hansa Canal Project ... 13, 14
Hawaii, Pineapple Industry of, James N. Wilson ... 251–262
"High Farming" in the North of England, 1840–1880, G. E. Fussell ... 296–310
Northumberland ... 296–298
Durham ... 299
Cumberland ... 301
Westmorland ... 303
Lancashire ... 305–308
Yorkshire ... 308, 309
"High Farming" in Southwestern England, 1840–1880, G. E. Fussell ... 53–73
Dorset ... 53
Wiltshire ... 58
Somerset ... 62
Devon ... 67
Cornwall ... 70
